

## **7<sup>th</sup> ASSA World Anatomy Day Online Symposium-Call for Abstracts**

**Theme for the symposium:** Anatomy for Everyone

The ASSA WAD committee welcomes abstracts to be considered for an oral presentation in the following themes:

- Cell biology and histology
- Clinical Anatomy
- Medical / Anatomical Education
- Anatomical Ethics
- Physical/Forensic Anthropology
- Translational medicine

### **Abstract Requirements and Structure**

- Appropriate ethics approval for any research must be in place – authors will be required to confirm this by checking the appropriate box on the online submission platform when submitting their abstract.

### **Title of the study:**

- Must not be longer than 20 words
- Must be written in sentence case (i.e., with a single capital at the beginning of the title)

### **Author(s):**

- Authors should be presented as initials (separated by a full-stop and a space) followed by surname
- Must be written in CAPITAL letters
- The presenting author's name should be underlined

### **Affiliation(s):**

- Include the institution, city and email address of the corresponding author

### **Body of abstract:**

To be written as a series of paragraphs, with each subheading starting on a new line. All headings must be included and addressed (**Maximum 250 words including the subheadings**):

- **Introduction**
- **Materials and Methods**
  - Appropriate ethics approval for any research must be in place – authors will be required to confirm this by checking the appropriate box on the online submission platform when submitting their abstract.
- **Results**
- **Conclusion**

**DUE DATE FOR ABSTRACTS: 28 SEPTEMBER 2026**
